CDM5600V Dishwasher

- 60 cm wide - standard dimension
- 14 place settings capacity
- 8 wash programmes
- Delayed start up to 24 hours
- Child safety lock

A dishwasher for all kinds of households

This is an easy-to-use dishwasher. It has a display with 8 selectable programmes for all sorts of dirty dishes. The start time can be set up to 24 h in advance and you can activate a child safety lock when needed. The machine's large capacity makes it suitable for medium sized and large households.

Smart and efficient programmes

The dishwasher has many programmes and settings to help you take care of everything from glasses to lightly soiled dishes to heavily soiled crockery. If you need clean tableware quickly, there is a programme that will wash your dishes in just 30 minutes. To improve drying, the Auto open function opens the door when the washing is done.

Adjustable baskets and rack

The machine has two baskets as well as a cutlery rack that are all adjustable in different ways. There is a cup rack in the upper basket that you can fold to make room for larger items, for example tall glasses. The plate racks in the lower basket can also be folded to make room for large utensils.

You decide when it should be ready

You can use the Delay option to have the dishes ready when it suits you. You can also use the Turbo speed+ option to decrease the washing time. Spend less time on doing dishes and more time on having fun.

Colour	White
Installation	Built-in
Capacity	14 place settings
Delayed start	Yes
Quick wash	Yes
Save a favourite programme	No
Number of programmes	8
Water overflow indicator	Yes

Net weight	47.5 kg
Height, adjustable	815-875 mm
Width	598 mm
Depth	570 mm
Depth with door open	1150 mm
Built-in dimensions, min. height	820 mm
Built-in dimensions, min. width	600 mm
Built-in dimensions, min. depth	580 mm
Water inlet hose length (B)	1.5 m
Water outlet hose length (C)	1.6 m
Power supply (A)	220-240 V, 50 Hz
Cord length, plug type	1.5 m, earthed
Rated current	10 A
Rated power	1760-2100 W
Standard water pressure	0.04 MPa ~ 1 MPa
Rated noise level	44 dB
Noise emission class	B
Water consumption	9.8 l/cycle
Energy consumption	0.747 kWh/ cycle
Energy consumption, 100 cycles	75 kWh
Energy efficiency class	C
Model identifier	CDM5600V

Technical drawings of the refrigerator showing front and side views with dimensions in millimeters.

Front View Dimensions:

- Top width: 598 mm
- Right height: 845 mm
- Bottom width: 1150 mm
- Door thickness: 120 mm

Side View Dimensions:

- Top width: 570 mm
- Left height: 754 mm
- Right height: 773 mm
- Bottom width: 125 mm
- Door thickness: 155 mm
- Internal height: 745 mm
- Internal width: 197 mm
- Bottom depth: 229 mm

Energy label for the Elvita CDM5600. The label displays a color scale from A (green) to G (red). The energy consumption is 75 kWh per year, indicated by a circular arrow icon with '100' inside. The label also features the European Union flag and a QR code.
