CSF5600S

Elegant wall-mounted cooker hood

- 60 cm width
- 3 fan speeds
- High capacity (607 m³/h)
- Carbon filter or flue installation
- Easy to clean

A designed premium cooker hood

This is an exclusive cooker hood with a black, elegant panel and touch controls. It offers 3 fan speeds and perimeter extraction, which keeps the noise low and extracts cooking fumes over a larger area. If you are interested in design and interior design, this is the cooker hood for you.

Efficient high capacity performance

The cooker hood has a high air extraction capacity and has an A rating in energy efficiency. The kitchen environment is kept fresh and grease-free and very little energy goes to waste, which is good for both you and the environment.

Option to use with carbon filter

This cooker hood can be installed with an existing flue outlet, but also has the option to use a carbon filter. The carbon filter removes any impurities and odours from the air when it is recycled into the kitchen. Both installation options gives you a cooker hood with excellent performance.

Low-energy lamps

The built-in LED lamps gives effective lighting at a fraction of the energy spent compared to regular light bulbs, the life span is also remarkably longer.

Easy to clean filter

The removable aluminium grease filter are easy to clean. Handwash the filter or let the dishwasher do the dirty work. With little to no maintenance, this cooker hood is always exceeding expectations. Enjoy a fume-free and hassle-free cooking experience.

Product properties

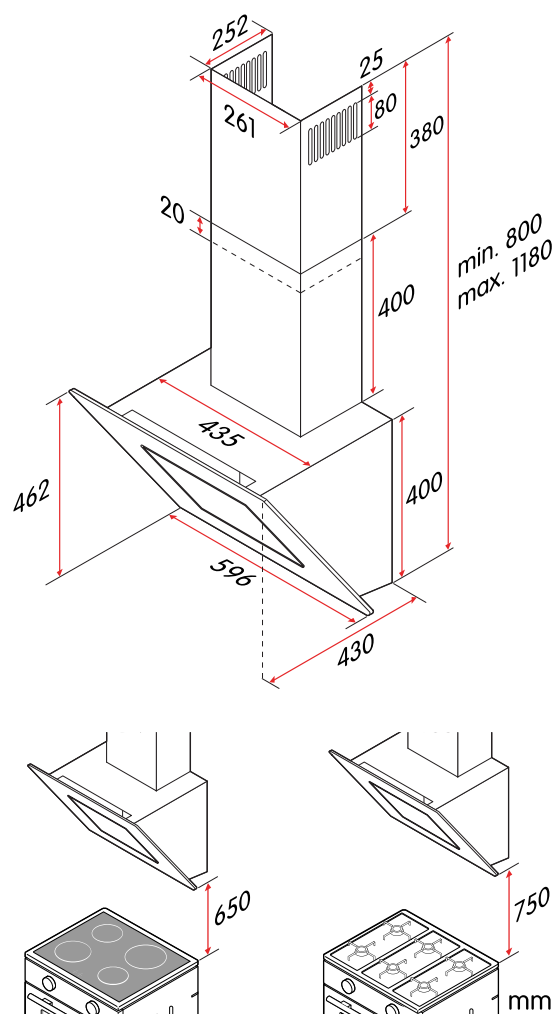

Colour	Black
Installation	Wall-mounted
Type of control	Touch
Filter type	Aluminium, carbon
LED lamps	2
Levels of speed	3
Backdraft damper	Yes

Technical specifications

Net weight	15.1 kg
Height, adjustable	800-1180 mm
Width	596 mm
Depth	430 mm
Minimum height above electric range	650 mm
Minimum height above gas range	750 mm
Flue outlet, diameter	150 mm
Power supply	220 - 240 V, 50 Hz
Cord length, plug type	2 m, F-type
Rated power	216 W
Sound power level, min speed (LWA)	49 dB
Sound power level, max speed (LWA)	68 dB
Sound power level, boost (LWA)	-
Motor power	210 W
Maximum air flow	607 m³/h
Measured air flow rate at best efficiency point	329.6 m³/h
Energy efficiency class	A
Grease filtering efficiency class	C
Fluid dynamic efficiency	32.2
Nominal power of the lighting system	6 W
Model identifier	CSF5600S

For details about the energy efficiency of the product, go to <https://eprel.ec.europa.eu/>. Use the model identifier to find information.
