Door transfer when replacing CKS4185V/X or CFS4185V/X

Description:

In case of a product replacement where the customer has fridge and freezer as a set the updated design and colour of the door causes a mismatch.

Action:

Remove the door from the replaced product and transfer it to the new one.

Note! This is only applicable on "Rev. 1"-units.

To identify whether the product is a Rev. 1- unit or not, the text "Rev. 1" should be visible on the right side of the model denomination on the product label.
